## TOT'S EAT

The Lee's Summit North Theater Department is participating in the ITS community service project TOTS-EAT. The TOTS-EAT Foundation's goal is feeding the hungry across the United States. More than 200 ITS troops nationwide participate in stopping hunger one can good at a time. All of the food collected by our theater department will go directly toward feeding the hungry in our community.

On October 31st come dressed in your best Halloween attire, and we will be trick or treating in near by neighborhoods to collect can goods. We ask that all those participating meet promptly at the school at 5:30 p.m. We also ask that all who are involved in theater help by bringing can goods from home and even visiting your own neighborhood to collect items. Please place all collected can goods in the drop box located in the

back of Mr. Daniel's room. If you have any questions, please see one of the ITS Officers or Mr. Daniel.
